BARKLEY PRESENTS: **co-ordinated** SHELF FILING SUPPLIES

Barkley takes the guesswork out of shelf filing. Matched components by Barkley—most experienced in shelf filing—makes every shelf filing installation a "systems" installation. Guides, folders, outguides—and all the other items in the Barkley line—are **co-ordinated** to work together—to work for you. Tab positions, dimensions, colors and materials automatically blend to give true systems efficiency to your shelf filing installation. Use Barkley **co-ordinated** supplies for easy ordering and maximum efficiency. And remember too, Barkley quality has been famous for over forty years.

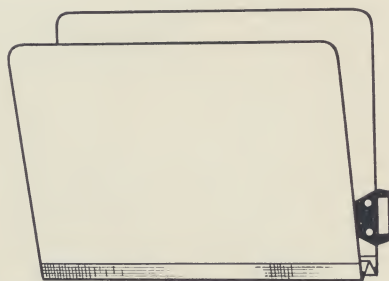

BARKLEY **co-ordinated** SHELF GUIDES

Tab positions and dimensions **co-ordinated** with folders and outguides. Of durable pressboard, full height for maximum support, rigid metal tabs with inserts visible from both sides. May be used in open units or units with doors.

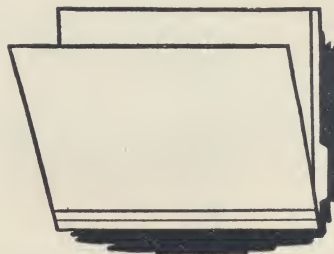

BARKLEY **co-ordinated** SIDE TABBED FOLDERS

Tab positions **co-ordinated** with guides and outguides. Office-engineered for maximum efficiency and durability. Full 9 1/2" high with precision side tabs. Single edge style undercut for maximum visibility; Double edge style for extra durability. Pressboard expansion style with either self tabs or sturdy metal tabs. Folders in Manila, Kraft, 8 colors of leatherette, and pressboard.

PRESSBOARD

DOUBLE EDGE

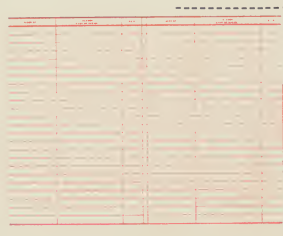

SINGLE EDGE
